

Cimpl University: Administrator and Configuration

Management Training

Course Available 24x7

Cimpl University equips you and your team with the knowledge needed to get the most out of using Cimpl. It is a set of online self-paced courses designed to help you master the features and functionalities of Cimpl through the application of industry best practices and step-by-step demonstrations. Cimpl University is designed for the time-minded person wanting to manage their environment more effectively.

On-Demand Training

You are not limited by your schedule. You can easily access any course at any time from anywhere. It is only a click away.

Access Expert Knowledge

Have questions or need specific advice? For the duration of your course[s], you have access to the Cimpl Trainer by email.

Improve Your Skills

We help you shorten your learning curve. We equip you with the knowledge you need to apply industry best practices and elevate your skills.

Upland Cimpl has made it easy for you.

When you enroll into Cimpl University, your purchased credit bundle can go a long way. You can apply the credits to one of the course pack focused on your role or to the results you want to achieve. You can even choose to apply the credits to some of our quick sessions if you need a refresher or interested in a specific topic.

Education Services

Cimpl Administrator Course

This course will help you maximize your time in Cimpl by teaching you the ins and outs from a configuration and set-up aspect. Learn how to get the initial set up optimized to ensure the best fit for your team's specific situation, how to best utilize the admin role for your company and even configure things on-the-fly to continually update far down the road. **Please note that this course has a pre-requisite of the Cimpl MACD course.*

Course Objectives:

By the end of this course, participants will be able to:

- + Work in the company hierarchy and locations
- + Configure and send the Executive Analytics Report
- + Schedule invoices to send to everyone, or some people on a monthly basis
- + Address contested invoices by the end-users
- + Create and apply threshold rules
- + Manage accounts, billing accounts and payment readiness

- + Configure requests and workflows
- + Work in System Settings and System Access
- + Contract Management
- + Accounts Payable file

Course Logistics:

- + On-demand access to course demos and explanations
- + Email communication with a dedicated Cimpl training expert
- + Access to on-demand course for **2 months**

How does it work?

It is very simple. You enroll, purchase a credit bundle and get started with the course of your choice. We've got a wide selection of credit bundles and we can help you select the plan that works for your organization.

Here are a few details:

- + Purchased credits may be used by anyone in your organization
- + Bundles available range from 10 to 100 credits
- + Courses value varies between 1 to 5 credits
- + Access on-demand courses for up to 2 months

How do I purchase Credit Bundles?

- + Contact your Customer Success Manager or your Support Representative
- + Sign up directly on our Website
