Cimpl University is designed for the time-minded person wanting to manage their environment more effectively.

On-Demand Training

You are not limited by your schedule. You can easily access any course at any time from anywhere. It is only a click away.

Access Expert Knowledge

Have questions or need specific advice? For the duration of your course(s), you have access to the Cimpl Trainer by email.

Improve Your Skills

We help you shorten your learning curve. We equip you with the knowledge you need to apply industry best practices and elevate your skills.

Upland Cimpl has made it easy for you.

When you enroll into Cimpl University, your purchased credit bundle can go a long way. You can apply the credits to one of the course pack focused on your role or to the results you want to achieve. You can even choose to apply the credits to some of our quick sessions if you need a refresher or interested in a specific topic.

Education Services

Cimpl Overview for Employees and Managers

This course teaches you the basics of Cimpl from an employee and a manager's perspective. Learn how to view your costs & assets, the ones you are responsible for, as well as how you stand cost-wise compared to your department and company. This course will show you how to place orders, view your user statement, and that of your employees.

Course Objectives:

By the end of this course, participants will be able to:

- + Navigate throughout Cimpl
- + Know what you have, how much it costs
- + Process orders through Self-Service
- + Use reporting, create and save reports
- + Schedule reports

Course Logistics:

- + On-demand access to course demos and explanations
- + Email communication with a dedicated Cimpl training expert
- + Access to on-demand course for **1 month**

How does it work?

It is very simple. You enroll, purchase a credit bundle and get started with the course of your choice. We've got a wide selection of credit bundles and we can help you select the plan that works for your organization.

Here are a few details:

- + Purchased credits may be used by anyone in your organization
- + Bundles available range from 10 to 100 credits
- + Courses value varies between 1 to 5 credits
- + Access on-demand courses for up to 2 months

How do I purchase Credit Bundles?

- + Contact your Customer Success Manager or your Support Representative
- + Sign up directly on our Website
