UNIVERSITY

Cimpl University: Reporting A to Z

Course Available 24×7

Learn Industry Best Practices and Master Cimpl.

Cimpl University equips you and your team with the knowledge needed to get the most out of using Cimpl. It is a set of online self-paced courses designed to help you master the features and functionalities of Cimpl through the application of industry best practices and step-by-step demonstrations. Cimpl University is designed for the time-minded person wanting to manage their environment more effectively.

On-Demand Training

You are not limited by your schedule. You can easily access any course at any time from anywhere. It is only a click away.

Access Expert Knowledge

Have questions or need specific advice? For the duration of your course(s), you have access to the Cimpl Trainer by email.

Improve Your Skills

We help you shorten your learning curve. We equip you with the knowledge you need to apply industry best practices and elevate your skills.

Upland Cimpl has made it easy for you.

When you enroll into Cimpl University, your purchased credit bundle can go a long way. You can apply the credits to one of the course pack focused on your role or to the results you want to achieve. You can even choose to apply the credits to some of our quick sessions if you need a refresher or interested in a specific topic.

Reporting A to Z

Reports are essential in order to convey the right information to the right people. This course will teach you how to navigate reports, as well as give you an in-depth explanation of each and every report inside Cimpl.

Course Objectives:

By the end of this course, participants will be able to:

+ Navigate reports
+ Create graphical reports
+ Know what each report is used for
+ Find the data you are looking for, and report on it in many ways

Pricing:

+ 1 Credit per course
+ Course registration is non-refundable

Course Logistics:

+ New participants are enrolled each Monday
+ Course access is available 24×7 for four weeks
+ Includes approximately 1.5 hours of course material
+ Get questions answered by the Cimpl training team
