

Upland Cimpl University – Managing users and roles

Course Overview

Cimpl is a 100% role-based application, therefore knowing how to manage users and roles is very important. This course will demonstrate the link between employees and users, how to create users, explain and create roles, as well as delve into user logs.

Course Objectives:

By the end of this course, participants will be able to:

- Know the difference between an employee and a user
- Manage users
- Know the default roles (profiles)
- Create new roles (profiles)
- Work in user logs

Course Logistics:

- New participants are enrolled each Monday
- Course access is available 24x7 for four weeks
- Includes approximately 30 min of course material
- Get questions answered by the Cimpl training team

Pricing:

- 175\$ CAD
- Course registration is non-refundable
